Do you solve puzzles around the edges first, or are you trying to focus on a specific area and color? Whether you're looking for something to do on weekends or after work to switch your typical Netflix binge, puzzles are a great way to keep you busy for hours. The puzzle, the quarantine activity that tons of people turned out when the lockdown was in full swing, is still going strong and is an ideal activity for the family, especially now that autumn and winter are approaching. Whether you are a 500-piece or 2000 piece puzzle man, puzzles will stimulate your brain and can keep kids and adults busy for hours. Here are the best puzzles to help you pass the time: This beautiful, new, 500-piece puzzle features one of Rifle Paper Co.'s signature floral prints. Once you've finished assembling the puzzle, you're going to want to glue and frame it by adding a fresh and whimsical new work of art to your gallery wall. This puzzle is the perfect housewarming or hostess present; or you can save for yourself. The bold and beautiful puzzle features gold foil pressed puzzle pieces and definitely not your traditional puzzle. Not only is it a suite, but unlike your typical rectangular puzzle, this one follows lip curves and smoke stacks, making it even more interesting and unique to assemble. This intricate puzzle has lots of white space and features glasses of champagne and shades that create a beautiful scene. Pop open a bottle of champagne, make yourself a bowl of popcorn, and be prepared to spend hours on this glamorous puzzle. This illustration by Bethany Robertson will quickly become your new favorite puzzle. It consists of VHS tapes with silly, makeup titles that are guaranteed to trigger a few giggles. Finished with foil details, you'll enjoy every second of assembling this beautiful 1000-piece pick. Sometimes you're not in the mood to spend hours assembling puzzles. Since it's only 285 pieces, it's a big puzzle to knock out in a couple of hours. Designed by Australian artist Charlie Bennell, this puzzle features an illustration of the Site's reversible fate in Yoro Park, Japan. Thanks to the cover of The New Yorker, peter de Seve of December 2019 is a deliveryman carrying an oversized decorated Christmas tree up the stairs during a snowstorm. This choice is challenging and will keep you busy for hours or days and never disappoint with the final product. Okay, these could be the coolest little puzzles. You can create a 70-something piece of puff cheese or maybe try piecing together a hot dog. That these quick fun puzzles is a complete understatement. You can buy each meal separately, or choose packages that have different food groups with about six puzzles. Warning: It's This The puzzle requires a lot of patience and strategy. The complex puzzle has colors that blend with each other, leaving you with hours of fun assembling green and blue-tone puzzle pieces. Don't like this color combination? The company sells a plethora of other ombres you may like. Treat yourself to this delicious puzzle with kiwi, lemons and melons. Pieces of the puzzle are sturdy and glossy, making this a luxurious puzzle that you will be proud to leave on your desk for a few days. This abstract puzzle is inspired by the fine art created by Dusen Dusen. Bold and bright colors make it easy to focus on one area at a time. Not only is the puzzle attractive, but the box itself is something you won't mind leaving on your coffee table or shelf. The intricate designs in this stunning puzzle feature gold foil decorations inspired by Frank Lloyd Wright that create a funky and modern design. An aerial photograph of Gray Malin is taken from a helicopter without doors, which creates stunning visuals of life in repetition. This two-way 500-piece puzzle features pine standing tall on one side and skiers getting directed to the flip side. Relax, take a deep breath and be prepared to solve this complex puzzle. Featuring 70 clear pieces of the puzzle, you'll have to think spatially to figure out how each piece fits perfectly with each other based on its shape. Feeling defeated? The puzzle comes with cribs that offer an ever higher level of care. If this puzzle doesn't put you in a festive spirit, we're not sure what will. This beautiful puzzle of wooden pieces features a small town celebrating holidays, complete with horse sleigh, snow-covered trees, and more. If your Italian holiday has been postponed, you can still take in the breathtaking sights of Positano; just from the comfort of your living room. Pour yourself a glass of Italian wine, make a fresh bowl of pasta, and transport yourself with these beautiful views of the coast. zoe Roscoe is a lifestyle writer who loves covering everything from home decor to the best tourist destinations.
