KWIN SOYA MI MI I think there is a time in everyone's life where more questions than answers appear. While there, I wondered if there would be an opportunity where I could devote my next 10 years and achieve my personal and financial goals without investing large sums of money as in traditional businesses. I was looking for an opportunity where I wasn't judged by my age, my past or my lack of experience. A place where they respected my work with high standards of ethics, and where it was important to have my commitment, discipline and desire to build. I wondered if there would be someone who had already achieved what I had dreamed of and who was willing to lead me and teach me what I needed to focus on to achieve my goals. My name is Edgar Balbas, I am a husband, father, entrepreneur, wellness coach, business mentor. I have been developing this project around the world for 25 years and have helped thousands of people achieve their well-being and finance goals. On this trip I have achieved the personal and financial freedom with which I have always dreamed, but what makes me most excited are the next 25 years. The good news is that if you decide, you can also be a part of it. My 25 years of experience I summarize in 3 minutes, give it a look My business I do as a couple, so my wife Ysbeherbal tells you everything you need to know about our products. TIPS: My career has encouraged me to share my experiences and inspire entrepreneurs who are just beginning.
